ORIGINAL SPECIAL CONDITIONS <ol style="list-style-type: none"> For 6 months, beginning on August 12, 2024, you are restricted to your residence at all times except for employment; education; religious services; medical, substance abuse, or mental health treatment; attorney visits; court appearances; court-ordered obligations; or other activities as pre-approved by the officer. CAUSE					
<p>On May 6, 2024, JOHNSON began his term of probation. He remains in full compliance with all terms and conditions of his probation. JOHNSON’s case involves a long addiction to opioids dating back to the late 1990s. When he was not abusing opioids, he was abusing alcohol. On October 13, 2017, JOHNSON’s addiction came to light, and he checked himself into Transformations Treatment Center, an inpatient substance abuse treatment center in Delray Beach, Florida. JOHNSON successfully completed the program and was discharged on December 5, 2017. He returned to Michigan and resided at Dawn's Place, a sober living facility in Ann Arbor, for three months. JOHNSON is now in the maintenance stage of his recovery, which means he uses what he has learned from treatment in his everyday life so he can maintain sobriety. This includes attending Alcoholics Anonymous (AA) meetings one to two times per week. His home recovery group is Noon Tide Group in Harper Woods. To date, JOHNSON has not used any substance since October of 2017. He has maintained sobriety through treatment, community support, and lifestyle changes. JOHNSON was on pretrial services from January 4, 2021, until his sentencing on May 6, 2024. During that time, he had no noncompliance. All of his drug screens were negative, and he always reported as directed.</p> <p>With this, it is recommended the above condition be suspended. With JOHNSON being in the maintenance stage of recovery, a substance abuse treatment program is not necessary at this time. He has shown during his time on pretrial services he works continuously on relapse prevention and takes his sobriety very seriously. In the unfortunate event JOHNSON has a relapse, the Court would be notified to reinstate the condition, and he would be required to complete a substance abuse program. JOHNSON will continue to be tested randomly to monitor his sobriety.</p>
